

Instructions for Poster Session

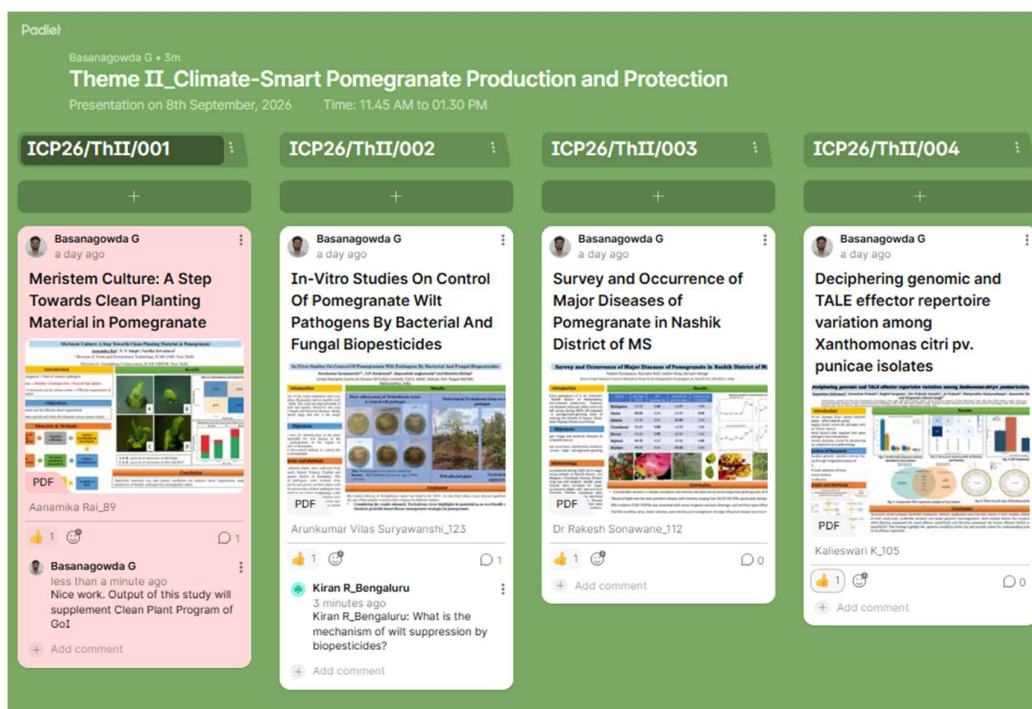

(8th September, 2026)

- ❖ We uploaded your poster to the [Padlet platform](#) well before the conference so that participants could view it in advance and post questions or feedback in the comment section below your poster. Please check your poster for any comments or queries; you can easily locate it using the poster title under the respective theme. You are also encouraged to engage with other presenters by posting comments, questions, or feedback on their posters.

The padlet link to your poster session

- ❖ Please visit the provided link **on or after 3rd September, 2026** to locate your poster. Participants can view any poster by clicking on it and using the zoom option for a closer look. Questions or comments may be posted in the comment section below the respective poster. You may register on **Padlet.com** and access the link to post your query. Alternatively, you may enter your **name, followed by your city and a colon (:)**, and then type your comment or response. Please refer to Poster 2 in the accompanying snapshot for an example.

- ❖ All attendees will post their questions **anonymously**. To respond, you may either register on **Padlet** and post your reply, or simply begin your response with **your name followed by a colon (:)** and then type your answer. Please refer to **Poster 2 in the sample snapshot** for guidance.
- ❖ Each poster presentation will have a duration of **3-5 minutes**, followed by a brief interaction with the judges. Please be present **on time** at your respective poster session and be ready to present when called.
- ❖ All poster presentations will be conducted as **Rapid Oral presentations on 8 September 2026 between 11:45 AM and 3:30 PM**. The exact order and sequence of presentations will be communicated by **6th September, 2026**.

General instructions:

- Keep the Padlet link accessible on your phone/laptop and check it periodically for new questions or comments.
- Prepare a concise 3-5 minute explanation covering the problem, objective, key methodology, major results, conclusion, and practical significance.
- Do not exceed the allotted presentation time.
- **Remain available during your entire assigned poster session**, even after your own presentation.
- Ensure your poster title, poster number, presenter name, and affiliation exactly match the conference records.
- Keep responses to attendees and judges brief, clear, and respectful.
